2. **Fee.** The fee for Financial Planning Services is provided on a flat rate, per engagement basis. The fee for this engagement will be: \_\_\_\_\_ and the fee is due upon execution of the Agreement. The fee payment options are included in Appendix A.

If Client circumstances or objectives change during our engagement, such that new information must be reviewed and incorporated into the recommendation, there may be an additional charge. If there is a substantial change during the project, the Advisor may require an amended Agreement. The fee set forth is for financial analysis and investment advisory services only and does not include any other professional services that may be required by Client to implement the recommendations made by Advisor. Client is advised that Advisor will not provide accounting or legal advice nor prepare any accounting or legal documents for the implementation of Client's plan. Advisor will not be responsible for the acts or omissions or insolvency of any other agent, broker or independent contractor selected to take any action or to negotiate or consummate any transaction for Client's account. Nothing herein shall constitute a waiver of any of the Client's rights under federal or state securities laws.

3. **Financial Planning Services.** The Advisor will gather and analyze data concerning the Client's goals, cash flow, debts, investments, insurance, estate issues, tax situation, employee benefits, risk tolerance, time horizon, and personal preferences in addition to any other data the Client wishes to include that is deemed pertinent to the financial planning process. This information is gathered through in-depth personal interviews designed to elicit the Client's current financial status, family obligations, future goals, and attitudes toward risk. Related documents supplied by the client are carefully reviewed, along with a questionnaire completed by the Client. The Advisor then helps the Client set realistic goals, identify key financial issues concerning those goals, and prepare a list of recommendations and alternative strategies for achieving those goals. Implementation of the Advisor's recommendations and alternative strategies comes next. The last step in the financial planning process is to periodically review and, if necessary, revise the plan. As a part of the financial planning engagement the Advisor will help the Client design and construct an initial investment portfolio consistent with Client's financial constraints, objectives, time horizon, risk tolerance, and prevailing economic conditions.

Based upon information furnished by Client, Advisor will include the following steps as part of the financial planning services using the Riskalyze and E-Valuator applications. The steps include the following:

- (a) Conduct online risk tolerance assessment and determine risk score.
  - (b) Analyze current portfolio and holdings.
  - (c) Select suitable investments that match client's risk score and objectives.
  - (d) Analyze proposed portfolio and holdings.
  - (e) Provide retirement map.
  - (f) Perform stress test on current and proposed portfolios.
  - (g) Review periodically and make changes as necessary.
4. **Trading Authorization.** Client understands that under this Financial Planning Agreement, Advisor does not have the authority to execute transactions in the Client's accounts or have authority to withdraw funds or to take custody of Clients' funds or securities.
5. **Client Responsibilities.** Client recognizes that the value and usefulness of the advisory services provided by Advisor will be dependent upon information they provide and upon their active participation in the formulation of investment objectives. Client will go through a comprehensive process to provide detailed information to Advisor. Client will also provide copies of documents (such as account statements) as Advisor reasonably requests to permit complete evaluation and implementation of portfolio decisions. During the engagement, Client is obligated to immediately notify Advisor of any changes in the Client's personal and financial situation.

6. **Client Authority.** If the Client is not a natural person, the Client represents and confirms the Advisor's engagement, pursuant to the terms of this Agreement, is authorized by the governing documents relating to the Client and that the terms of this Agreement do not violate any obligations by which the Client is bound. The Client agrees to deliver all forms, corporate resolutions or similar documentation evidencing the undersigned's authority to execute and deliver this Agreement. The Client also agrees to deliver such organizational documents and other document as the Advisor shall reasonably require. The Client further agrees to promptly deliver all amendments or supplements to the foregoing documents and agrees that the Advisor is not liable for any losses, costs or claims suffered or arising out of the Client's failure to provide the Advisor with any documents required to be furnished hereunder. The Client warrants and represents that it owns all property deposited in the Account(s) and that no restriction on disposition exist to any such property.
7. **Termination.** This Agreement may be terminated by any party effective upon receipt of written notice to the other parties ("**Termination Date**"). Client will be entitled to a refund of unearned fees, if any, based upon the time and effort completed prior to termination of the Agreement. No refunds will be made after completion of the plan. Termination of the Agreement will not affect the liabilities or obligations of the parties for activity initiated prior to termination.
8. **Services Not Provided.** The Advisor does not provide custody of assets or securities, discretionary investment management services, accounting, or legal advice.
9. **Confidentiality.** All information and advice furnished by Client to Advisor shall be treated as confidential and shall not be disclosed to third parties, except as permitted by the Client.
10. **Advisor Disclosure Statements.** Advisor is an Investment Advisor Representative ("**IAR**") registered with Redhawk Wealth Advisors, Inc. Advisor is a fee-only IAR, and as such does not accept commissions, fees, or other compensation for the implementation of portfolios.
11. **Basis of Advice.** Client acknowledges that Advisor obtains information from a wide variety of publicly available sources. Advisor does not have, nor does it claim to have sources of inside or private information. The recommendations developed by Advisor are based upon the professional judgment of Advisor and cannot guarantee the results of any recommendations. Client always shall elect unilaterally to follow or ignore completely, or in part, any information, recommendation, or advice given by Advisor under this Agreement.
12. **Non-Exclusive Advisory Services.** It is understood that Advisor performs investment advisory services for various clients. The Client agrees that Advisor may give advice and act with respect to any of its other Clients which may differ from advice given to the Client. Nothing in this Agreement shall limit or restrict Advisor from rendering investment advisory services to any other person or firm, or to engage in any other business activities so long as this Agreement or any extension, renewal or amendment hereof shall remain in effect, or until the Advisor shall otherwise consent.
13. **Other Agreements.** The Client acknowledges that nothing contained in this Agreement violates the terms and conditions of any other agreements to which Client may be bound.
14. **Limitation of Liability.** Client understands that risks are inherent in any investment and that some investment decisions will result in profits and others in losses. Client further understands that there is no guarantee that Client's investment objectives will be achieved. Advisor cannot assure a net profit, but only can give its best judgment to help achieve Client's investment goals. Advisor shall not be liable for any loss incurred regarding the Client's account, except where the loss directly results from such

party's negligence or misconduct. Nothing in this Agreement shall in any way constitute a waiver or limitation of any rights, which Client may have under federal or state securities laws.

**15. Pre-Dispute Arbitration Agreement.** Any controversy or dispute that may arise between Client and Advisor concerning the Account, any transaction in or for the Account, or the construction, performance or breach of this Agreement shall be settled by arbitration. Any arbitration shall be pursuant to the rules, then applying, of the American Arbitration Association, except to the extent set forth herein. The arbitration panel shall consist of at least three individuals, with at least one panelist having knowledge of investment advisory activities. The parties agree that any arbitration proceeding pursuant to this provision shall be held in allocation as determined by the rules of the American Arbitration Association, and judgment upon the award rendered may be entered in any court, state or federal, having jurisdiction. a. Arbitration is final and binding on all parties.

- b. The parties are waiving their right to seek remedies in court, including the right to a jury trial, except to the extent such a waiver would violate applicable law.
- c. Pre-arbitration discovery is generally more limited than and different from court proceedings.
- d. The arbitrators' award is not required to include factual findings or legal reasoning and any party's right to appeal or to seek modification of rulings by the arbitrators is strictly limited.
- e. The panel of arbitrators will typically include a minority of arbitrators who were or are affiliated with the securities industry.
- f. No person shall bring a putative or certified class action to arbitration, nor seek to enforce any pre-dispute arbitration agreement against any person who has initiated in court a putative class action, or who is a member of a putative class who has not opted out of the class with respect to any claims encompassed by the putative class action until: (a) the class certification is denied; (b) the class is decertified; or (c) the customer is excluded from the class by the court. Such forbearance to enforce an agreement to arbitrate shall not constitute a waiver of any rights under this Agreement except to the extent stated.
- g. The agreement to arbitrate does not entitle Client to obtain arbitration of claims that would be barred by the relevant statute of limitations if such claims were brought in a court of competent jurisdiction. If at the time a demand for arbitration is made or an election or notice of intention to arbitrate is served, the claims sought to be arbitrated would have been barred by the relevant statute of limitations or other time bar, any party to this Agreement may assert the limitations as a bar to the arbitration by applying to any court of competent jurisdiction. Client expressly agrees that any issues relating to the application of a statute of limitations or other time bar are referable to such a court. The failure to assert such bar by application to a court, however, shall not preclude its assertion before the arbitrators.

**16. Conflicts Among Client/Spouses.** Where Advisor provides services to two or more individuals (example: husband and wife), recommendations will be based on the specific goals stated by the Clients and will assume that the relationship between the individuals will continue.

**17. Severability.** Each section of this Agreement and every provision therein shall be severable from every other section of this Agreement and any and every provision thereof, and the invalidity or enforceability of any section of provision shall not affect the validity of any other section of provision of this Agreement.

**18. Notices.** Any notice or other communication required or permitted to be given pursuant to this Agreement shall be deemed to have been duly given when delivered in person or transmitted by facsimile (with hard copy sent by U.S. mail), sent by overnight courier (postage prepaid), or three days after mailing by registered mail (postage prepaid). All notices or communications to Client shall be sent to the address contained in Advisor's records.

**19. Governing Law.** This Agreement and all the terms herein shall be construed and governed according to the laws of the State of Minnesota, without giving effect to principles of conflict of laws, if there is no inconsistency with federal laws.

**20. Entire Agreement.** This Agreement represents the parties' entire understanding regarding the matters specified herein. No other agreements, covenants, representations or warranties, ex-press or implied, oral or written, have been made by any party to any other party concerning the subject matter of this Agreement.

**21. Amendments.** No amendment of any provision of this Agreement shall be valid unless the same shall be in writing and signed by the parties.

**22. Assignment.** This Agreement shall be binding on Client's heirs, executors, successors, administrators, conservators, and permitted assigns. This Agreement shall not be assigned by either party without the consent of the other with the exception that Advisor may assign this Agreement in full to a successor entity resulting from the sale or transfer of all or substantially all of its assets related to this Agreement, whether by sale of stock or assets, merger, change of control, operation of law, or otherwise.

**23. Receipt of Redhawk Wealth Advisors Form ADV Part 2.** Client acknowledges receipt of Redhawk Wealth Advisors Form ADV Part 2 as required by Rule 204-3 under the Advisers Act. Unless Client received said Form ADV Part 2 at least forty-eight (48) hours prior to execution of this Agreement, Client may cancel this Agreement within five (5) days of execution by giving written notice of cancellation to Advisor. This Agreement will not take effect until at least forty-eight (48) hours after the Client has received Redhawk Wealth Advisors Form ADV Part 2 and Redhawk Wealth Advisors has accepted this agreement.

**24. Privacy Policy.** Advisor is committed to maintaining the trust and confidence of Client. Advisor protects Client's privacy when collecting and using Client's information and takes necessary measures to safeguard that information. Keeping Client's information secure and private is a priority for Advisor. The following describes the Privacy Policy. During providing services to Client, Advisor collects non-public personal information about Client from the following sources:

- a. Information from financial planning profile and other standard forms (for example, name, address, social security number, assets, types and amounts of investments, transactions, and income);
- b. Information about investment account transactions from broker/dealers and third-party money managers, and other companies that work closely with Advisor to provide Client with diverse financial products and services (for example, account balances, types and amount of investments).

Keeping Client's information secure is one of Advisor's most important responsibilities. Advisor restricts access to nonpublic personal information to those employees and agents who need to know that information to provide products or services to Client. Advisor maintains physical, electronic, and procedural safeguards that comply with federal standards to guard Client's nonpublic personal information. Advisor does not sell, share or disclose Client's non-public information to non-affiliated third-party marketing companies. Advisor may disclose nonpublic personal information about Client under circumstances as permitted or required by law. These disclosures typically include information to process transactions on Client's behalf, to conduct operations, to follow Client's instructions as Client authorizes, or to protect the security of Advisor's financial records. If Client decides to close account(s) or become an inactive customer, Advisor will adhere to the privacy policies and practices as described in this Agreement.

Advisor reserves the right to change this policy at any time and Client will be notified if any changes occur.

- 25. Counterparts.** This Agreement may be executed in several counterparts, each of which shall be deemed to be an original, but together shall constitute one and the same document. **NOTICE: BY SIGNING THIS AGREEMENT, CLIENT IS AGREEING TO THE PRE-DISPUTE ARBITRATION PROVISION AND EACH PARTY TO THIS AGREEMENT REPRESENTS THAT IT HAS READ AND UNDERSTANDS THE FOREGOING PRE-DISPUTE ARBITRATION PROVISION.**

**SECTION 2 - REQUIRED****REDHAWK UNIFIED MANAGEMENT AGREEMENT (“RUMA”)  
INVESTMENT MANAGEMENT AGREEMENT**

This Agreement is entered among the **Client** and Redhawk Wealth Advisors, Inc., a registered investment advisor (“**Redhawk**”). Client, being duly authorized, hereby agrees to employ and retain Redhawk to act as investment manager for the Account in accordance with the following terms and conditions (the “**Agreement**”).

1. **Recitals.** Redhawk offers the Redhawk Unified Managed Account Program (the “**Program**”), also called, Redhawk Unified Managed Account (“**RUMA**”), which provides clients with access to the investment management services of certain third-party sub-advisors and investment managers approved by Redhawk (the “**Program Managers**”). In the Program, Redhawk will act as a “manager of managers” and has full discretion to hire, monitor, replace, and terminate Program Managers. Redhawk will also have full discretion in allocating and reallocating the account among Program Managers, all as provided in this Agreement.
2. **Client Information.**
  - (a) A financial advisor that has entered into either a Solicitor Agreement or Investment Advisor Representative Agreement with Redhawk (the “**Advisor**”) will obtain from the Client information regarding the Client’s financial situation, investment objectives, financial goals, tolerance for risk, and investment time horizon (all referred to as the “**Suitability Information**”). Based on the Suitability Information, the Advisor will recommend an initial allocation of the Account among the Program Managers, taking in to consideration the investment styles, strategies, risks, and potential benefits of each Program Manager. Client shall designate the initial allocation of the Account among the Program Managers.
  - (b) Client acknowledges that Redhawk and each Program Manager will rely on the Suitability information that Client has provided. Client agrees to notify Advisor promptly, in writing, of any change to the Suitability Information, including any change to any investment objectives, risk tolerance, investment time horizon, and any investment policies, guidelines, or reasonable restrictions that Client has provided. Client shall provide Advisor with additional information as Redhawk or any Program Manager may request from time to time to assist any of them in managing the Account. Neither Redhawk nor any Program Manager shall have any liability for Client’s failure to provide Redhawk with accurate or complete information.
3. **The Account.**
  - (a) Client will open an account (the “**Account**”) with a custodian, as designated in this Agreement (the “**Custodian**”) and will deposit cash and cash equivalents into the Account. Client may, with Redhawk’s consent, transfer securities into the Account which will be liquidated to cash. Client shall not transfer into the Account any securities which are not publicly traded, or which cannot be

promptly sold. Client grants Redhawk the authority, in Redhawk's discretion, to sell or otherwise liquidate all securities transferred by Client into the Account.

- (b) The Account will maintain a target cash amount of 2.00% with a minimum cash amount of 1.50% and never less than \$25.

4. **Allocation of the Account; Grant of Discretion.** Upon receipt of Client's initial account allocation, Redhawk shall allocate the Account among the Program Managers in a manner consistent with Client's allocation, shall notify the Program Managers of such allocation, and shall make the Suitability Information available to the Program Managers. Client authorizes and grants full discretion to each Program Manager to select the investments, to designate the strategies, and to buy, sell, or otherwise effect transactions for the portion of the Account allocated to such Program Manager, all without prior notice or consent of the Client.

5. **Monitoring and Reallocation of the Account.**

- (a) On a continuous basis, Advisor will monitor the performance of the account, will hire and fire the Program Managers, and allocate and reallocate the Account among the Program Managers, according to the individual needs and circumstances of the Client. Advisor will have full discretion to allocate and reallocate the Account to any Program Manager, and to hire new Program Managers and fire existing Program Managers. Advisor will not provide advice regarding specific investments for the Account, and will not manage or effect purchases, sales, or other transactions for the Account.

- (b) Redhawk will have the authority and discretion to manage the Account upon the occurrence of one or more of the following:

- (i) a transfer of assets other than cash into the Account, in which event Redhawk shall have authority and discretion to hold or liquidate such assets to cash, and
  - (ii) if a Program Manager ceases to act as manager for the Account, in which event Redhawk shall have authority and discretion to manage the Account investments not allocated to an existing Program Manager until a new Program Manager is retained. In managing the Account assets, Redhawk is specifically permitted to retain all or part of the existing investments or to liquidate such investments, in Redhawk's discretion.

6. **Directed Custodian.** Client hereby directs that transactions for the Account will be executed through the Custodian. The Client has the sole responsibility for paying the commission rates, trading costs, and other transaction costs with the Custodian and such costs will be deducted from the Client's Account.

- (a) Client agrees that neither Redhawk nor the Program Managers will be required to affect any transaction through the Custodian if Redhawk or Portfolio Managers reasonably believes that to do so may result in a breach of its duties as a fiduciary.

- (b) Client understands that by instructing Redhawk to execute all transactions on behalf of the Account through the Custodian, Client may not necessarily obtain commission rates and execution as favorable as those that would be obtained if Redhawk or the Program Manager were able to place transactions with other custodians. Client may also forego benefits that Redhawk or the Program Manager may be able to obtain for their other clients through, for example, negotiating volume discounts or block trades.

- (c) If the Account is maintained on behalf of a plan subject to the Employee Retirement Income

Security Act of 1974 ("**ERISA**") or similar government regulation, Client represents that:

- (i) The Custodian can provide best execution for the Account's transactions, the commission rates that Client negotiated are reasonable in relation to the brokerage and other services received by the plan, and Client will monitor the services provided by the Custodian to assure that the plan continues to receive best execution and pay reasonable commissions;
- (ii) The use of the Custodian is for the exclusive benefit of the plan, and the brokerage arrangement that Client is directing Redhawk and the Program Managers to implement is for the exclusive purpose of defraying reasonable administrative costs of Client and is in recognition that the goods and services that the Custodian provides will inure solely to the benefit of Client and its beneficiaries;
- (iii) The direction of commissions to the Custodian does not and will not constitute a "prohibited transaction" under Section 406 of ERISA, or otherwise contravene any other provision of ERISA or other applicable statute or regulation; and
- (iv) The direction of commissions to the Custodian is consistent with the applicable plan or trust documents and will not conflict with any contractual, fiduciary or other obligations of Client, or any fiduciary or other person acting on behalf of Client.

(d) In consideration of Redhawk's and the Program Managers' direction of transactions to the Custodian, Client hereby releases Redhawk, Program Managers, and each of their respective agents, directors, officers, employees, and affiliates, and agrees to indemnify and hold each of them harmless from any expenses, damages or liabilities, including, without limitation, reasonable attorney's fees, which any of them may incur in the enforcement of this indemnification or as a result of or relating directly or indirectly to this directed custodian arrangement.

(e) Redhawk may give a copy of this Agreement to any other party to a transaction for the Account or the Custodian as evidence of Redhawk's authority to act for Client.

**7. Custody and Reporting.** Custodian will take and maintain possession of the cash, securities and other assets in the Account. Neither Redhawk nor any Program Manager shall have any access to the assets in the Account or to the income produced therefrom, except in the ordinary course of effecting transactions for the Account or otherwise performing their obligations under this Agreement. Neither Redhawk nor any Program Manager shall be responsible for any acts or omissions of the Custodian. Custodian will send a statement to Client at least quarterly indicating all amounts disbursed from the Account, all transactions occurring in the Account during the period covered by the statement, and a summary of the Account positions and portfolio value at the end of the period. Client has directed or will direct Custodian to permit Redhawk and the Program Managers to electronically view and download account information.

**8. Fees.**

(a) The Account shall pay an investment management fee (the "**Fee**") according to the Fee Schedule set forth below, as updated from time to time. The Maximum Portfolio Fee includes fees payable to Redhawk and the Program Manager. The Fee is based on all the Accounts that pertain to all members of an immediate family or all related businesses of a company ("**Household**").

### Legacy Account

Investment	Household Assets	Administration Fee	Advisor Fee
<b>Any Investment as long as it's available on the Custodian's platform.</b> <i>Minimum Account: None</i>	Any	0.25%	0.25%

NOTE: Each account will be charged a minimum portfolio fee of \$50 per year (plus the advisor fee) or per Fee Schedule (above), whichever is greater.

- (i) The Fee shall be paid monthly in arrears within the first ten (10) business days after each calendar month. The monthly payment shall be equal to 1/12 of the Fee multiplied by the average daily value of the Account, as reported by the Custodian.
- (ii) The Fee will continue to be charged each month if there are Assets in the Account.
- (iii) The Fee Schedule may be revised by Redhawk, at its discretion, upon notice to Client, and the new Fee Schedule will be in effect as of the first calendar month beginning thirty (30) days or more after Redhawk provides notice of such revision.
- (iv) Client will provide Custodian with such documentation as Custodian requests authorizing and directing Custodian to deduct the Fees from the Account and to pay Redhawk and Program Managers their Fees upon submission of a Fee invoice (which may be electronic) to Custodian.
- (v) The value of the Account and the value of any asset in the Account shall be the value reflected on Custodian's statements or on Custodian's internal system. In the event Custodian does not value any asset, the asset shall be valued by Redhawk in such manner as it shall determine in good faith to reflect its fair value, in accordance with generally accepted industry standards. Money market accounts and bank accounts, if any, shall be valued as of the valuation date.
- (vi) Client may make additions to or withdrawals from the Account at any time, subject to Redhawk's right to terminate the Account if it falls below the minimum account size stated in Redhawk's Form ADV Part 2A. Client may withdraw Account assets upon notice to Redhawk, subject to usual and customary securities settlement procedures.
- (vii) Client shall be solely responsible for all commissions and other transaction charges, and any charges relating to the custody of securities in the Account. The Fee covers only the investment management services provided by Redhawk and the Program Managers and does not include brokerage commissions, trading or transaction costs, redemption fees, mark-ups, mark-downs, dealer spreads or other costs associated with the purchase and sale of securities, Custodian fees, interest, taxes, or other Account expenses. Client shall be solely responsible for these additional expenses. Client understands that, in addition to the Fee under this Agreement, shareholders of each mutual fund or exchange traded funds ("ETF" or "ETFs") in which the Account may be invested will also be charged investment advisory fees and other expenses which are disclosed in each fund's prospectus or summary disclosure. Client further understands that the mutual funds and ETFs recommended or purchased through this Agreement may be available directly without paying the Fee.

9. **Non-Exclusive Relationship; Other Compensation.** Client acknowledges and agrees that Redhawk and the Program Managers may act as investment managers to other clients and receive fees for such services. The advice given, and the actions taken with respect to such clients and Redhawk's or Program Manager's own accounts may differ from advice given or the timing and nature of action taken with respect to Client's Account. Client further recognizes that transactions in a specific security may

not be accomplished for all clients' accounts at the same time or at the same price. Client also acknowledges that in managing the Account, Redhawk may purchase or sell securities in which Redhawk, its officers, directors, or employees, directly or indirectly, have or may acquire a position or interest.

10. **Proxy Voting.** Neither Redhawk nor the Program Managers shall have any obligation or authority to take any action or render any advice with respect to the voting of proxies solicited by or with respect to issuers of securities held by an Account. Client (or the plan fiduciary in the case of an Account subject to the provisions of the Employee Retirement Income Security Act of 1974 ["ERISA"]), expressly retains the authority and responsibility for, and Redhawk and the Program Manager are expressly precluded from rendering any advice or taking any action with respect to, the voting of any such proxies.
11. **Assignment.** This Agreement shall be binding on Client's heirs, executors, successors, administrators, conservators, and permitted assigns. This Agreement shall not be assigned by either party without the consent of the other with the exception that Redhawk may assign this Agreement in full to a successor entity resulting from the sale or transfer of all or substantially all such Party's assets related to this Agreement, whether by sale of stock or assets, merger, change of control, operation of law, or otherwise.
12. **Termination.** Any of the parties may terminate this Agreement in whole, or in part, at any time before the date of expiration, with thirty (30) days written notice. This Agreement will automatically renew each year unless thirty (30) days written notice is provided by either party wishing to terminate the Agreement. Such termination shall not, however, affect liabilities or obligations incurred or arising from transactions initiated under this Agreement prior to such termination, including the provisions regarding arbitration, which shall survive any expiration or termination of this Agreement.
  - (a) Upon termination, Client shall have the exclusive responsibility to monitor the securities in the Account, and neither Redhawk nor the Program Managers shall have any further obligation to act or advise with respect to those assets.
  - (b) If Client terminates this Agreement within five (5) business days of its signing, Client shall receive a full refund of all fees and expenses.
  - (c) This Agreement may be canceled at any time, by either party, for any reason upon receipt of thirty (30) days written notice. Upon termination of any account, any prepaid, unearned fees will be promptly refunded. In calculating a Client's reimbursement of fees, Redhawk will pro rate the reimbursement according to the number of days remaining in the billing period.
  - (d) If Advisor's association with Redhawk terminates for any reason:
    - (i) Redhawk will assume the terms and conditions of this Agreement immediately and become the advisor of record for all Client Accounts held at Redhawk, and
    - (ii) both the Redhawk fee and Advisor fee will be paid to Redhawk.
13. **Termination of Discretion.** Each grant of discretion to Redhawk or the Program Managers in this Agreement shall remain in full force and effect until terminated by Client or Redhawk, or until Redhawk or Program Managers receives notice of Client's death. The termination of any grant of discretion shall constitute a termination of this Agreement. If, in the event of Client's death, Redhawk or Program Managers have acted in good faith pursuant to a grant of discretion without actual knowledge of Client's death, any action so taken, unless otherwise invalid or unenforceable, shall be binding on Client's successors in interest.

**14. Representations.**

- (a) Redhawk represents that it is registered as an investment advisor with the Securities and Exchange Commission ("**SEC**") under the Advisors Act of 1940 and is authorized and empowered to enter into this Agreement.
- (b) Client represents and confirms that: (i) Client has full power and authority to enter into this Agreement; (ii) the terms hereof do not violate any obligation by which Client is bound, whether arising by contract, operation of law, or otherwise; and (iii) this Agreement has been duly authorized and shall be binding according to its terms.
- (c) If this Agreement is entered by a trustee or other fiduciary, such trustee or fiduciary represents that the services to be provided by Redhawk and the Program Managers are within the scope of the services and investments authorized by the governing instruments of, and laws and regulations applicable to Client. Such trustee or fiduciary further represents and warrants that he or she is duly authorized to negotiate the terms of this Agreement and enter into and renew this Agreement. The trustee or fiduciary shall provide Redhawk with copies of the governing instruments authorizing establishment of the Account. The trustee or fiduciary undertakes to advise Redhawk of any material change in his or her authority or the propriety of maintaining the Account.
- (d) If Client is a corporation, partnership, or limited liability company, the signatory on behalf of Client represents that the execution of this Agreement has been duly authorized by appropriate corporate action. Client undertakes to advise Advisor of any event that might affect this authority or the propriety of this Agreement.

**15. ERISA Accounts.** If the Account is subject to the provisions of the Employment Retirement Income Security Act of 1974, as amended ("**ERISA**") or corresponding provisions of the Internal Revenue Code, as amended (the "**IRC**"), Redhawk acknowledges that it is a "fiduciary" (as defined in ERISA and the IRC respectively) with respect to performing its duties under this Agreement. Client agrees to maintain appropriate ERISA bonding for the Account and to include within the coverage of the bond Redhawk and its personnel, as may be required by law. Client represents that employment of Redhawk, and any instructions that have been given to Redhawk regarding the Account, are consistent with applicable plan and trust documents. Client agrees to furnish Redhawk with copies of such governing documents. The person signing this Agreement on behalf of Client also acknowledges its status as a "named fiduciary" (as defined in ERISA and the IRC respectively) with respect to the control and management of the assets held in the Account and agrees to notify the Advisor and Redhawk promptly of any change in the identity of the named fiduciary with respect to the Account. Client also acknowledges that the Account is only a part of the plan's assets, and that Redhawk is not responsible for overall compliance of such investments with the requirements of ERISA or any other governing law or documents.

**16. Risk and Liability.** Redhawk and the Program Managers shall manage only the securities, cash and other investments held in Client's Account. Client recognizes that there may be loss or depreciation of the value of any investment due to the fluctuation of market values. Client represents that no party to this Agreement has made any guarantee, either oral or written, that Client's investment objectives will be achieved. Redhawk shall not be liable for any error in judgment or for any investment losses in the Account in the absence of malfeasance, negligence or violation of applicable law. Neither Redhawk nor any Program Manager shall be responsible for any loss incurred by reason of any act or omission of Client, Custodian, any broker-dealer, or any other third party. Nothing in this Agreement shall constitute a waiver or limitation of any rights that Client may have under applicable state or federal law, including without limitation the state and federal securities laws.

17. **Legal Proceedings.** Neither Redhawk nor any Program Manager shall render advice or take any action with respect to securities or other investments, or the issuers thereof, which become subject to any legal proceedings, including bankruptcies. Client hereby expressly retains the right and obligation to take such legal action relating to any such investments held in the Account.
18. **Notices.** Any notice or other communication required or permitted to be given pursuant to this Agreement shall be deemed to have been duly given when delivered in person or transmitted by facsimile (with hard copy sent by U.S. mail), sent by overnight courier (postage prepaid), or three days after mailing by registered mail (postage prepaid). All notices or communications to Redhawk or the Program Managers should be sent to their respective Presidents, at their principal business office. All notices or communications to Client shall be sent to the address contained in Redhawk's records.
19. **Governing Law.** This Agreement and all the terms herein shall be construed and governed according to the laws of the State of Minnesota, without giving effect to principles of conflict of laws, if there is no inconsistency with federal laws.
20. **Entire Agreement.** This Agreement represents the parties' entire understanding with regard to the matters specified herein. No other agreements, covenants, representations or warranties, express or implied, oral or written, have been made by any party to any other party concerning the subject matter of this Agreement.
21. **Severability.** If any part of this Agreement is found to be invalid or unenforceable by statute, rule, regulation, decision of a tribunal, or otherwise, it shall not affect the validity or enforceability of the remainder of this Agreement. To this extent, the provisions of this Agreement shall be deemed to be severable.
22. **Disclosure Documents.** Client acknowledges receipt of: (a) Redhawk's Form ADV Part 2A, and (b) each Program Manager's Form ADV Part 2A and 2B. Client also acknowledges that Client has reviewed and understands the risk factors and the fees associated with the Account.
23. **Amendments.** Redhawk shall have the right to amend this Agreement by modifying or rescinding any of its existing provisions or by adding new provisions. Any such amendment shall be effective as of the first calendar quarter beginning thirty (30) days or more after Redhawk provides notice of such modification, or such later date as is established by Redhawk. All other amendments must be in writing and signed by Redhawk.
24. **Pre-Dispute Arbitration Agreement.** Any controversy or dispute that may arise between Client and Redhawk, or Client and any Program Manager, concerning the Account, any transaction in or for the Account, or the construction, performance or breach of this Agreement shall be settled by arbitration. Any arbitration shall be pursuant to the rules, then applying, of the American Arbitration Association, except to the extent set forth herein. The arbitration panel shall consist of at least three individuals, with at least one panelist having knowledge of investment advisory activities. The parties agree that any arbitration proceeding pursuant to this provision shall be held in a location as determined by the rules of the American Arbitration Association, and judgment upon the award rendered may be entered into in any court, state or federal, having jurisdiction.

(a) **Arbitration is final and binding on all parties.**

- (b) **Pre-arbitration discovery is generally more limited than and different from court proceedings.**
- (c) **The arbitrators' award is not required to include factual findings or legal reasoning and any party's right to appeal or to seek modification of rulings by the arbitrators is strictly limited.**
- (d) **The panel of arbitrators will typically include a minority of arbitrators who were or are affiliated with the securities industry.**
- (e) **No person shall bring a putative or certified class action to arbitration, nor seek to enforce any pre-dispute arbitration agreement against any person who has initiated in court a putative class action, or who is a member of a putative class who has not opted out of the class with respect to any claims encompassed by the putative class action until: (a) the class certification is denied; (b) the class is decertified; or (c) the customer is excluded from the class by the court. Such forbearance to enforce an agreement to arbitrate shall not constitute a waiver of any rights under this Agreement except to the extent stated.**
- (f) **The agreement to arbitrate does not entitle Client to obtain arbitration of claims that would be barred by the relevant statute of limitations if such claims were brought in a court of competent jurisdiction. If at the time a demand for arbitration is made or an election or notice of intention to arbitrate is served, the claims sought to be arbitrated would have been barred by the relevant statute of limitations or other time bar, any party to this Agreement may assert the limitations as a bar to the arbitration by applying to any court of competent jurisdiction. Client expressly agrees that any issues relating to the application of a statute of limitations or other time bar are referable to such a court. The failure to assert such bar by application to a court, however, shall not preclude its assertion before the arbitrators.**

**25. Miscellaneous.**

- (a) The effective date of this Agreement shall be the date of its acceptance by Redhawk.
- (b) All paragraph headings are for convenience of reference only, do not form part of this Agreement, and shall not affect in any way the meaning or interpretation of this Agreement.
- (c) All principals of Client must sign. Corporate officers, limited liability company members, partners, and fiduciaries must indicate the capacity in which they are acting. This Agreement may be executed in counterparts and shall be binding on the parties as if executed in one document.
- (d) Client acknowledges receipt of a copy of this Agreement and the Pre-Dispute Arbitration Clause.
- (e) Client acknowledges and authorizes that all communications, including but not limited to, statements, reports, and trade confirmations will be delivered electronically via email.

**SECTION 3 - OPTIONAL****ROLLOVER CHECKLIST FOR AN ERISA ACCOUNT**

1. Is there an ERISA qualified account transferring (rollover from a qualified retirement plan)?
  - ☐ Yes (please complete Section 3).
  - ☐ No (skip Section 3).

2. Please complete the following for each rollover:

<b>Name/Account Number of Rollover</b>	<b>Owner of the Rollover</b>	<b>Where is the Rollover Coming from?</b>

**INTRODUCTION**

As an Advisor operating as a fiduciary, you are required to comply with the Impartial Conduct Standards when you recommend that a Client or potential Client roll over assets from an ERISA account (which includes an account from a qualified retirement plan) into a rollover IRA. You are required to document the specific reasons why this recommendation is in the best interest of the Client. To make a recommendation, you will need information about the client's ERISA account, which may be available from the following sources:

- (a) Recent Retirement Plan Statements from the Client. If the ERISA account is in a qualified retirement plan and the Client directs their own investments, then the Client will receive information on all the investments available under the plan, including performance and fees, at least quarterly. This information may also be available via a website maintained by the plan administrator or the recordkeeper.

- (b) Participant 404(a)(5) Disclosure. If the ERISA account is in a qualified retirement plan and the Client directs their own investments, then the Client will receive a 404(a)(5) annually from the plan administrator or the recordkeeper.
- (c) Summary Plan Description (SPD) from the Client. If the ERISA account is in a qualified retirement plan, this document may provide additional information on the retirement plan and its investments.
- (d) Required Notice of Distribution Options. If the ERISA account is in a qualified retirement plan, this document is required under section 402(f) of the Internal Revenue Code and must be provided by the plan administrator to each recipient of an eligible rollover distribution. The 402(f) notice discusses the income tax implications of various distribution options and typically is “generic,” but may provide some insight into the specifics of the retirement plan.
- (e) Participant Request to Plan Administrator or Recordkeeper. If the ERISA account is in a qualified retirement plan, the Client may need to ask the plan administrator or recordkeeper about the retirement plan features and investments. Some plans will respond to inquiries from third parties, such as advisors, with Client consent. If, however, the Advisor is unable to obtain the information even after fair disclosure to the participant of its significance, then the Advisor may rely on alternative data sources. Such sources may include publicly available information via the retirement plan’s Form 5500 filings or reliable benchmarks on typical fees and expenses for plans of the same type and size.

### **CHECKLIST**

The following checklist details factors that you should consider in making a rollover recommendation to your Client. Please note that these factors are not exclusive, and other factors may be relevant in formulating a recommendation for a client or potential client.

1. What are the Client’s alternatives to a rollover, including leaving the money in the current retirement plan, rolling it to a new plan, or transferring it to a rollover IRA?

---

---

---

2. What are the fees and expenses that the Client is currently paying in their ERISA account?

---

---

---

3. Are there other fees and expenses associated with the ERISA account? For example, fees for investment advice, transaction fees, or advisor fees?

---

---

---

4. Would the Client benefit from availability of other features available in the retirement plan but not a rollover IRA? Or vice versa? Such as penalty-free withdrawals between 55 and 59-1/2, plan loans, and protection from legal judgements?

---

---

---

5. Are there any other reasons why your recommendation would be in the best interest of your Client?
